ABOUT UNISHKA

UNISHKA Research Service, Inc. (UNISHKA) is a worldwide alliance dedicated to fostering ethics and integrity in government, business, and society. Founded in 2005 as University Research Service (URS), we began operations by reaching out to local legal advisors, scholars, scientists, and financial experts; inviting them to collaborate with us in the creation of an international information consortium committed to gathering data and knowledge on economic, security, legal, and political issues relating to corruption. In 2014, UNISHKA incorporated in Alaska to carry on the URS legacy while implementing an anti-corruption methodology created by UNISHKA called Systems Integrity Development™. UNISHKA is the first U.S.-company dedicated exclusively to anti-corruption.
